introduce proper energy accounting systems and conduct energy audits.

Setting up of a 600 MW Thermal Power Plant at Maithon through DVC

1514. SHRI CHITTA BASU: Will the Minister of ENERGY be pleased to state:

(a) whether Government have decided to set up a 600 MW thermal power plant at Mithon through the DVC; and

(b) if so, what steps have already been taken in that direction?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) and (b) A proposal for setting up of a thermal power station of 3 x 210 MW capacity at Maithon Right Bank has been accorded techno-economic clearance by Central Electricity Authority subject to the clearances from Ministry of Environment & Forest, State Pollution Control Board, National Airport Authority. Clearance from State Pollution Control Board has since been obtained. The other issues have been taken up with the concerned agencies.

1515. [*Transferred to the 16th August, 1988*].

झांसी में राजघाट बांध पर एक बिजली घर का निर्माण

1516. **डा० गोविन्द दास रिछारिया :** क्या ऊर्जा मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या झांसी के निकट बेतवा नदी पर बन रहे राजघाट बांध पर एक बिजली घर बनाने का कोई प्रस्ताव सरकार के विचाराधीन है ;

(ख) यदि हां, तो उसका ब्यौरा क्या है ; और इसके कब तक स्थापित किए जाने की संभावना है ; और

(ग) इस पर कब तक कार्य आरम्भ किए जाने की संभावना है ?

ऊर्जा मंत्रालय में विद्युत विभाग में राज्य मंत्री (श्री कल्पनाथ राय) : (क) जी, हां ।

(ख) और (ग) राजघाट बांध में 37.4 करोड़ रु. की अनुमानित लागत से 15–15 मेगावाट के तीन यूनिट प्रतिष्ठापित करने के लिए केन्द्रीय विद्युत प्राधिकरण द्वारा तकनीकी-आर्थिक दृष्टि से स्वीकृति प्रदान कर दी गई है । परियोजना का कार्य आरम्भ कर दिया गया है और इसको 1991–92 तक चालू किए जाने की संभावना है ।

Setting up of an Oil Terminal at Paradeep Port

1517. SHRI BASUDEB MOHAPATRA: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Government have the proposal to set up an Oil Terminal at Paradeep Port;

(b) if so, what are the reasons for not taking a decision so far in this regard; and

(c) by when Government propose to take a decision in the matter?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI BRAHM DUTT): (a) There is no proposal under the Seventh Plan to set up an oil Terminal at Paradeep Port.

(b) and (c) Do not arise.

Power supply to Punjab

1518. SHRI PAWAN KUMAR BANSAL: Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that Punjab continues to be supplied with much less Power than its due share from the Singrauli and Bairasiul Power Projects;

(b) if so, what are the reasons therefor;

(c) whether Government are aware that Punjab is facing Power shortage

and agricultural and industrial sectors suffer because of this power shortage; and

(d) if so, what action is proposed to be taken to enable Punjab to meet its Power requirements?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) and (b) During June, 1988 the share vis-a-vis actual supply from Bairasiul and Singrauli Power Stations to Punjab is as under:

	Share	Actual
Bairasiul	35 MU	35 MU
Singrauli	96.9 MU	137.9 MU

(c) Punjab faced a marginal power deficit of about 2 per cent during June, 1988 as against the All-India shortage of 8.2 per cent. Except the peak load restrictions, no power cuts have been imposed on industries in the State. The agricultural consumers in the State are supplied power for 15 hours per day.

(d) In order to further improve the power availability in Punjab various measures are being taken which include expediting commissioning additional capacity, maximising the generation from existing capacity, reduction in T&D losses implementation of energy conservation and demand management measures, assistance from the neighbouring system etc.

Theft of electricity in the capital

1519. SHRI MUKHTIAR SINGH MALIK: Will the Minister of ENERGY be pleased to state:

(a) whether any complaint has been received recently through some Members of Parliament regarding theft of electricity in the Capital;

(b) if so, whether any action has been taken by Government in regard thereto; and

(c) if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) Yes, Sir.

(b) Raids have been conducted by Delhi Electric Supply Undertaking in different areas of capital and several cases of thefts have been detected. Criminal cases have also been registered by lodging F.I.Rs with the Police and supply of power to consumers indulging in thefts disconnected. Some bulk supply induction furnaces have also been raided and 12 cases of theft have been unearthed by D.E.S.U. Central Bureau of Investigation has also been asked to investigate the matter and register criminal cases.

(c) Does not arise in view of answer to (b) above.

Bio-gas potential in the country

1520. SHRI AJIT P. K. JOGI: Will the Minister of ENERGY be pleased to state:

(a) whether any evaluation of the total potential of bio-gas energy generation has been made;

(b) if so, what are the details thereof;

(c) what potential has been harnessed so far and by when the optimum potential will be harnessed; and

(d) what are the details of the biogas plants set up in the country and what percentage among them are not functioning?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) and (b) It has been estimated that there is a potential of setting up about 16.22 million family based biogas plants in the country based on cattle dung as feed stock. However, no evaluation study has been conducted so far in this regard.

(c) So far, over 10.34 lakh family based biogas plants have been set up in the country. The Department of Non-Conventional Energy Sources has projected a perspective plan, *inter-alia*, for setting up 12 million biogas plants by 2001 A.D. provided adequate resources including finances are made available.
